

Work Experience Opportunities, Careers and Post-16 Options

Work Experience this
academic
year 206/7

Y12 July 5 – 9 July

Y10 July 12 – 16 July

School needs your help in order to provide
our students with meaningful placements
We Need Your Help

Building these opportunities isn't something
schools can do in isolation. To truly bridge
the gap between the classroom and the
working world, we need the collective
power of our community.

Whether you own a business, work for an
employer, have business contacts or a
business leader, we need your support.

Here is how you can help us make a
difference this academic year:

Employers Can you offer a placement?
Whether it's hosting a traditional week-long
experience, a business insight day, or a
virtual workplace tour, your time can spark a
lifetime career journey for a young person.
If you can help in any of the ways above
please get in touch

tmaker@aclandburghley.camden.sch.uk

There will be assemblies, PD sessions & employer
speakers in school in the near future talking about
work experience. **It is never too early to secure
your placement.**

**If you would like to support any of our Careers
Programmes, please do get in touch for more
information**

tmaker@aclandburghley.camden.sch.uk

Careers Fair October 12th 12.15 – 3.05

Looking for volunteers to attend our careers fair
to inform and inspire our students around their
career fields. If you would like more information or
can volunteer please do send me an email.

STEAM Day – February - A drop down day for all
students with workshops/activities around STEAM
industries

Assemblies – 10 minutes – All Year

International Women's Day – March - A Speed
Networking Event for our female students
delivered via female volunteers.

Careers Fairs

Workshops

Glen Thomson our independent careers advisor
will be making appointments to see all our Y11
students this academic year around next-steps.
You can contact Glen on email below.

gthomson@aclandburghley.camden.sch.uk

If you want more information about a particular industry please contact tmaker@aclandburghley.camden.sch.uk

Work Experience Opportunities, Careers and Post-16 Options

Y12 Please sign up to the Access Aspiration Programme which the school have been using now for many years. This platform provides great opportunities for young people around many different fields. Work Experience, Seminars, Visits, Mentoring. Please complete the online form via the link and the platform will tailor opportunities to your answers and get in touch if anything relevant is available.

Students can sign-up using this link:
mfl.rosterfy.uk/login
Sign up to Insight Days
Apply for Work Experience and sign up to application
Support workshops
Throughout the academic year, we will work with you to understand how we can best support students

Over 16 and thinking about your future career?

Access Aspiration is our **FREE** employability programme that will help you build the confidence, skills and knowledge to kickstart your dream career!

We're excited to invite your students to our upcoming workshop, **Application Hacks: How to Secure a Job or Apprenticeship**, designed to give them the practical skills and confidence to submit stronger, more competitive applications.

Workshop Details

Date: 23 Sep

Time: 6:00pm

Location: Online

Sign up: <https://www.career-compass.co.uk/event-details/application-hacks-how-to-secure-a-job-4>

What Students Will Learn

What makes a strong job or apprenticeship application

How to create a stand-out CV and cover letter

How to tackle application questions effectively

How to tailor applications to specific employers and roles

Common application mistakes and how to avoid them

Whether students are applying for **apprenticeships, part-time or summer jobs, work experience or other early-career opportunities**, this session will give them practical, actionable guidance they can use straight away.

If you want more information about a particular industry please contact tmaker@aclandburghley.camden.sch.uk

Work Experience Opportunities, Careers and Post-16 Options

Ada College : The dates for our London Open Evenings in the next academic year are:

Tuesday 13th October - 4 to 7.30pm

Thursday 26th November - 4 to 7.30pm

In the meantime, we are happy to organise individual campus tours for students and their families. Please contact us at outreach@ada.ac.uk for more information.

[Tickets](#)

Our next **Allied Healthcare Virtual Work Experience Programme** takes place on **Sunday 4th October, from 8:30am - 5pm**, and we would be very grateful if you could share this opportunity with your students.

Register here:

<https://alliedhealthmentor.org/product/live-virtual-work-experience-programme/>

Work experience should not simply be something they complete just before applying to university. By taking part throughout the academic year, students have more time to explore different professions, reflect on what they learn and build a genuine understanding of working within healthcare.

During the programme, students will follow realistic patient cases from initial presentation through to treatment and recovery, seeing how different healthcare professionals work together as part of an NHS multidisciplinary team. Students will explore careers including:

- Nursing
- Midwifery
- Paramedicine
- Physiotherapy
- Occupational Therapy
- Dietetics

If you want more information about a particular industry please contact tmaker@aclandburghley.camden.sch.uk

Work Experience Opportunities, Careers and Post-16 Options

Radiography

Speech and Language Therapy

Prosthetics and Orthotics

Pharmacy

Students will also receive a Work Experience Certificate for each session they complete, allowing them to build a record of their participation throughout the programme.

Law & Legal

Ashurst Perkins Coie: ACCESS Commercial Law 2026/27

Nov 2026 - Mar 2027 | Online | Y12 - Y13

Interested in a career in law? ACCESS Commercial Law is a free virtual programme giving students insight into commercial law through six employer-led sessions and one-to-one mentoring with a legal professional. **Why join?** Discover what commercial lawyers do, receive one-to-one mentoring, develop application and interview skills, build commercial awareness, and get advice on preparing for university and a legal career. **Application Deadline:** 8 Oct 2026, 12:00pm **Apply here:** <https://www.ashurstperkinscoie.com/en/careers/students-and-graduates/uk-access-law/>

Business & Finance

Oxford Economics Women's+ Economics Insight Day

27 Oct 2026 Oxford Economics, London | Female Y12 - Y13 students

Curious about studying Economics or where it could take you? Spend the day with Oxford Economics, taking part in interactive workshops, exploring how economics is applied to real-world issues, and meeting women working across the profession. **Why join?** Explore economics careers, learn from industry professionals, discover different pathways, gain insight into a leading global economics organisation, and build confidence in your next steps. **Application Deadline:** 27 Sep 2026 **Apply here:** <https://forms.gle/3DSbzEE3E2b5UHR3A>

A free, year-long placement, based at **Kew Gardens**, themed around science communication.

A chance for participants to develop their understanding of Kew science and conservation.

An opportunity for participants to design their own tabletop games based on plants in Kew's glasshouse collections, gaining skills in science communication and public engagement.

Access to a volunteering placement in one of Kew's world-renowned glasshouses, educating the public on rare and endangered plants found at Kew.

An opportunity for participants to complete their Bronze or Silver skill and voluntary sections of their Duke of Edinburgh Awards as well as obtaining a Kew Young Environmental Leaders Award.

A welcoming space for individuals to meet like-minded people and make new connections.

We're hoping to reach out to students you think would (a) enjoy the programme and/or (b) would benefit from it. This could include nature lovers, board game enthusiasts, young people looking to improve their confidence/communication skills, students looking to gain experience for CVs/Personal Statements or individuals looking for a fun/meaningful way to spend their Saturdays. We are also very keen to engage students who don't have access to similar opportunities elsewhere.

If you want more information about a particular industry please contact tmaker@aclandburghley.camden.sch.uk

Work Experience Opportunities, Careers and Post-16 Options

Work Experience Opportunities

Francis Crick Inst Work Experience Placement in October – Half Term

A small number of work experience placements available during the October half-term break (Monday 26 October to Friday 30 October 2026) at the Francis Crick Institute and would be grateful if you could share these opportunities with interested students. The placements offer students the opportunity to gain insight into a range of careers that support **world-leading biomedical research**:

Research Governance: Students will learn about the processes that ensure research is conducted safely, ethically, and in line with regulatory requirements. This placement offers insight into the important work that supports and enables scientific research.

Scientific Research: Students will gain an understanding of laboratory-based research and explore how scientists investigate biology and disease to help improve human health.

Science Communications: Students will gain experience of communicating science through

digital channels, including websites, social media, and email newsletters, helping to make research accessible to a wide range of audiences. These opportunities are particularly suited to students interested in **science, medicine, research, healthcare, policy, regulation, communications, or other STEM-related careers**.

[Apply through our application form](#) – please share with your students!

Deadline is Monday 5th of October!

Evie Guironnet from **LSH**, a property company, offering **three Year 12s** work experience during **October half-term week**..

LSH has provided an overview of placement content below and Evie will be happy to follow up with more detail

During the placement, individuals will gain exposure into the vastness of commercial property through working with LSH's Planning, Regeneration & Infrastructure team. By supporting day-to-day activities, conducting research tasks and gathering industry insights, individuals will develop research, analytical, and presentation skills while providing an understanding of key trends, challenges, and opportunities within the property sector.

Candidates will also gain exposure to professional working practices and how research supports decision-making across the business. Individuals will also gain experience of a professional office environment, learning how teams collaborate, support clients, and contribute to *business operations*. *This will provide valuable insight into workplace culture, professional conduct, and day-to-day activities within a commercial property consultancy.* **See Ms Maker if interested**

Build Your Own AI Agent: 3-Day Work Experience with PolyAI

PolyAI is offering students aged 16-19 the chance to take part in a three day, face to face work experience programme in London from **27-29 October 2026**. Students will explore how a fast-growing AI company works, rotate across different teams and build their own AI voice agent to solve a real-world problem. It's a fantastic opportunity to gain hands on tech experience, create a project for future applications and learn more about careers in AI and technology. **No previous experience is**

needed - just curiosity and an interest in tech.

Application deadline: 29 September 2026 [View the opportunity and apply here](#)

ZSL Conservation Conference

Our carers conference is for your people aged between 16-25 who are interested in a career in conservation or exploring their options. More information can be found on our website: <https://www.zsl.org/news-and-events/events/zsl-wildlife-careers-conference>

I am delighted to say that one of our students has indeed secured a Y12 work placement with ZSL Henry Halkyard. Well Done to Henry.

We are really pleased to share a free virtual insight evening for students in Years 11–13 and at university who are considering a career in law. Students will hear directly from 12 international law firms — including all five Magic Circle firms — about work experience, in-person events at their offices, and apprenticeship and graduate opportunities. They will also take part in interactive breakout workshops and receive a certificate of attendance.

This is a free opportunity and places will close once capacity is full. All the details for students are below.

If you are unable to copy and paste the student text below, you can simply share this link with your students instead — it opens this full email in a web browser: [view and share this email here](#).

All aspiring doctors in years 10-12 / S3-S5 / NI11-13 are invited to register.

Routes into Rail

Lots of valuable information around roles, apprenticeship and companies which offer these as well as videos from young people telling their stories. There are so many different types of careers in rail that go beyond the roles you might see using the railway day-to-day. Think project management, business, HR, marketing, IT and more.

https://routesintorail.org/?utm_medium=email&utm_campaign=RiR%20Newsletter%20September%202026&utm_content=RiR%20Newsletter%20September%202026+CID_ea815c8d35715dd9edd7c68385531d59&utm_source=Marketing%20Email&utm_term=Explore%20the%20New%20Site

BrightStart Apprenticeships and Work Experience at Deloitte — a free virtual insight evening

Wednesday 7 October · 5:00–6:30pm · Online.

We are really pleased to share a free virtual insight evening with Deloitte for students in Years 12 and 13 who are considering an apprenticeship after school. Students will hear directly from Deloitte about work experience, their BrightStart apprenticeship programme, and opportunities across Audit & Assurance, Tax, Consulting and Technology. They will also meet experienced professionals and have the chance to ask questions live.

This is a free opportunity and places will close once capacity is full. All the details for students are below.

KPMG's 2027 apprenticeship programmes are now open

Audit, Tax and Corporate Services · £25,500–£28,000 · School leaver entry

KPMG have opened applications for their 2027 apprenticeship programmes in Audit, Tax and Corporate Services — school leaver routes into a Big Four firm, where students earn a salary from day one and study towards a professional qualification or a degree with dedicated study time built into the working week.

Roles fill quickly and close as they are filled, so students are best applying early. There is one thing worth flagging to them: they need to add the Young Professionals application code when they apply. The steps are set out in the email below.

If you are unable to copy and paste the student text below, you can simply share this link with your students instead — it opens this full email in a web browser: [view the page here](#).

Students must be registered in Rosterfy to view and sign up your students for all available opportunities.

Tuesday 20 October: Bridging the Gap in Hospitality (1 Day Event) This is a fantastic opportunity for young people to explore potential future careers in the hospitality sector. They will meet and network with professionals across the hospitality sector and gain invaluable insights into the wide range of career routes available.

Key details:

Date : Tuesday 20 October 2026 **Time:** 10:00 – 14:00

Location: Andaz Hotel, 40 Liverpool St, London, EC2M 7QN
